

You are going to listen to five young people talking about school and education after school. First you will have 45 seconds to study the task below. Then you will hear the recording twice. While listening, match the speakers with their statements (A-I). There are two extra statements that you should not use. Write your answers in the boxes provided on the answer sheet. The first one (0) has been done for you.

After the second listening, you will have 45 seconds to check your answers.
